

# CASTLE LIFE IN THE PERIGORD

4 DAYS/4 NIGHTS

For the first two nights, stay at the Manoir de Bellerive, a small 19C chateau with a private swimming pool situated near the village of Le Buisson de Cadouin.

This 4-star hotel is a member of the "Châteaux & Hôtels de France" chain; dinner will be taken in the hotel's gastronomic restaurant.

A sauna, hammam or balneotherapy session will be included during your stay at Bellerive.

From your base at either of these hotels, explore the delightful villages and castles of the Dordogne Valley, as well as the world-famous prehistoric sites of the Vézère Valley: a reservation will be made for you at Lascaux II in Montignac (a replica of the famous Lascaux cave).

For the next two nights, stay at the Château des Vigiers in Monestier, near Bergerac in the Périgord Pourpre. This 4-star hotel has a swimming pool and 18-hole golf course. Dinners will be taken at the "Le Chai" brasserie and the "Les Fresques" restaurant. Your room is situated in one of the chateau's outbuildings and a complimentary case of three Les Vigiers wines is included as part of your stay.

A reservation will be made for you at the Château de Monbazillac, situated in the heart of a renowned wine-producing region. To ensure that you get the most out of your trip to the Périgord, an information pack and tourist map with brochures on the sights and monuments to be visited will be sent to you once a reservation has been made.
