

# GASTRONOMIC TOUR, EXPLORING THE CASTLES AND PREHISTORY OF THE BLACK PERIGORD

2009

4 DAYS/4 NIGHTS

On this tour of the Périgord Noir you will have the opportunity to discover the magical sights of the Dordogne Valley, famous for its castles and charming landscapes, and the Vézère Valley, a secretive, verdant world which is home to the some of the world's most beautiful and decorative caves and chasms and vestiges of early man, bearing witness to the importance of this region during the prehistoric period some 35,000 years ago. The hotels selected for you in Sarlat and Les Eyzies are perfectly located to enable you to explore the wealth of our local heritage, which has preserved its charm at the same time as respecting the region's typical architecture.

2 x 2 nights in a 2- or 3-star hotel on half board, including 2 gastronomic dinners; 1 guided tour of Sarlat; 1 visit to Lascaux II; 1 visit to La Roque Saint Christophe and 1 visit to the Château de Castelnaud or a gabare boat trip

From 495 €/pers. in a double room on a half-board
